FY 2014 GRANT AWARDS**

| Grant Number                 | Grantee  | Title   | Project Summary   | Award             | Cash Match        | Total               |
|------------------------------|--|---|---|-------------------|-------------------|---------------------|
| <b>Project Grants</b>        |  |   |   |                   |                   |                     |
| SJI-14-N-009                 | Maryland Judiciary                                   | Adult Guardianship Special Assistant Project                    | Support to implement an Adult Guardianship Special Assistant program in two jurisdictions within Maryland. The program will provide support to the courts to assist with monitoring of guardianship cases, and support and assistance for guardians.  | \$ 48,400         | \$ 48,400         | \$ 96,800           |
| SJI-14-N-010                 | National Association for Court Management            | Enhancing Education for Court Leadership of the Future          | NACM will: 1) deliver nationally significant educational programs, related material, and curriculum focusing on embracing the courts of the future; and 2) expand and broaden remote technology training opportunities through distance learning.   | \$ 108,121        | \$ 108,562        | \$ 216,683          |
| SJI-14-N-011                 | King Co., WA, District Court                         | Court Clerk Workload Assessment                                 | Funding to conduct a clerical workload study, which will be an update of the 2007 clerical staff needs assessment study.  | \$ 50,000         | \$ 50,000         | \$ 100,000          |
| SJI-14-N-012                 | Missouri Office of the State Courts Administrator    | Pretrial and Probation Services Assessment and Best Practices   | Creation of a pretrial and probation best practices manual for the state that will enable judges to identify those defendants that can be safely released, helping ensure court appearances and reducing costs.   | \$ 78,357         | \$ 78,357         | \$ 156,714          |
| SJI-14-N-077                 | Vermont Judiciary                                    | Weighted Caseload Analysis of Judicial Officers and Court Staff | Support to conduct a comprehensive weighted caseload study for the Vermont Judiciary. The analysis that will be performed on the workloads of judges and court staff will build on prior SJI-funded projects to produce an ongoing management model that can incorporate state-of-the-art practices, as well as effective case management policies.                                       | \$ 75,000         | \$ 75,000         | \$ 150,000          |
| SJI-14-N-078                 | Hawaii Judiciary                                     | Self-Help Interactive Forms Expansion                           | Support to expand the self-help interactive forms project through a partnership with the Legal Aid Society of Hawaii (LASH) and the Hawaii State Public Library System (HSPLS). By increasing access and community outreach, automated legal forms will be more accessible and utilized more effectively by self-represented litigants.   | \$ 57,596         | \$ 10,175         | \$ 67,771           |
| SJI-14-N-153                 | New Mexico Administrative Office of the Courts       | Improving Access to Justice for Native Peoples in State Courts  | Funding to develop a sustainable training and qualification process for court interpreters of the Navajo language and the languages of New Mexico's Pueblos, which is culturally appropriate and protects the rights of tribal members as they access the state courts.   | \$ 112,000        | \$ 112,000        | \$ 224,000          |
| SJI-14-N-154                 | Minnesota Judicial Branch                            | Security & Response Awareness Project                           | Assistance to design and conduct 3 phases of a court security project. Phase I will conduct security assessments of courthouses in Minnesota; Phase II will develop a court security Tool Box to respond to negative events or emergencies; and Phase III will train judges and court staff in six regional locations on how to effectively respond to negative events in the courthouse. | \$ 75,000         | \$ 75,000         | \$ 150,000          |
| SJI-14-N-231                 | America Bar Association                              | Reform of Adult Guardianship Practice Through WINGS             | Support to continue the National Guardianship Network's (NGN) efforts to reform adult guardianship practices through WINGS – Working Interdisciplinary Networks of Guardian Stakeholders. The project will advance effective adult guardianship practice in the state courts through enhancing, promoting, and assessing state WINGS groups.  | \$ 34,000         | \$ 34,000         | \$ 68,000           |
| SJI-14-N-232                 | National Council of Juvenile and Family Court Judges | National Courts and the Military Summit                         | This project will convene key stakeholders at the intersection of military justice and juvenile and family courts to develop a national agenda to improve coordination of services for service members, veterans, and their families.   | \$ 57,000         | \$ 57,600         | \$ 114,600          |
| <b>Total, Project Grants</b> |  |   |   | <b>\$ 695,474</b> | <b>\$ 649,094</b> | <b>\$ 1,344,568</b> |

|---|--|--|---|-----------|------------|-----------|
| <b>Technical Assistance (TA) Grants</b> |  |  |   |           |            |           |
| SJI-14-T-016                            | Douglas Co., NV, Courts                | Judicial Operations Restructure  | Technical assistance to fully implement a current effort to consolidate administrative services, restructure court operations, and address key performance areas.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-14-T-017                            | Connecticut Judicial Branch            | Jury Instructional Online Video Project                                | Technical assistance to develop and make available online two instructional videos aimed at addressing four critical areas of jury service specific to Connecticut's courts: 1) how to respond to a jury summons; 2) the voir dire process; 3) criminal trial procedures; and 4) civil trial procedures.                  | \$ 22,000 | \$ 2,200   | \$ 24,200 |
| SJI-14-T-018                            | New Jersey Judiciary                   | Build-A-Brief Application for Self-Represented Litigants and Attorneys | Support for a Build-A-Brief web-based application for appeals specifically designed for self-represented litigants and some attorneys. The application will guide the user through the steps needed to successfully submit briefs for appeal.   | \$ 50,000 | \$ 25,000  | \$ 75,000 |
| SJI-14-T-019                            | Montgomery Co., PA Orphans' Court      | User-Friendly Electronic Guardianship Forms, Manuals, and Guidance     | Funding to address an increase in the number of guardianship matters by creating easily accessible and usable online forms for guardianship proceedings, and a guardianship manual.   | \$ 25,000 | \$ 11,000  | \$ 36,000 |
| SJI-14-T-020                            | National Center for State Courts       | Hurricane Sandy: Lessons Learned by the State Courts                   | Project will examine the myriad of problems that courts suffered as a result of Hurricane Sandy, and produce a practical guide that all courts can use to prepare for, and deal with, the consequences of other natural disasters in the future.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-14-T-021                            | Montana Supreme Court                  | Judicial Workload Study Update   | Assistance to conduct a critically-needed update of the SJI-funded judicial workload study that was performed in FY 2006.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-14-T-022                            | Washington Co., OR, Circuit Court      | Calendaring and Docket Management Assessment                           | Technical assistance to assess the Court's calendaring and docket management, and to make recommendations on how the Court can improve the scheduling process and better align administrative support with judge docket assignments.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-14-T-082                            | Oregon Judicial Department             | Assessment of Staffing, Organization, and Processes                    | Support to assess staffing, organization, and practices pertaining to the use of legal staff to assist in the judicial process in the Supreme Court.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-14-T-083                            | Guam Judiciary                         | Sex Offender Management Strategic Planning                             | Support to assist in developing a strategic plan that will enable the Judiciary to more effectively manage and treat convicted sex offenders.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-14-T-084                            | Delaware Justice of the Peace Court    | Assessment of Service Processing                                       | Funding to conduct an assessment designed to support and direct a reengineering of the Court's method for serving process.  | \$ 44,900 | \$ 5,000   | \$ 49,900 |
| SJI-14-T-085                            | Judicial Branch of Maricopa County, AZ | Strategic Planning and Performance Measurement                         | Support to engage a consultant to assist the Leadership Team in developing a common direction and improve performance. This project is vital to helping new administrative leadership continue improvement and alignment efforts, and strengthen the Leadership Team, which began in 2013 aimed at elevating performance. | \$ 50,000 | \$ 10,200  | \$ 60,200 |

**STATE JUSTICE INSTITUTE  
FY 2014 GRANT AWARDS**

| Grant Number            | Grantee  | Title  | Project Summary  | Award               | Cash Match        | Total               |
|-------------------------|--|--|--|---------------------|-------------------|---------------------|
| SJI-14-T-086            | Council for Court Excellence                       | Changing Perceptions: Jury Service in the 21st Century       | CCE will direct a D.C. jury service initiative, which will systematically and comprehensively address current issues and the stigma of jury service from the perspective of jurors, judges, and lawyers.   | \$ 50,000           | \$ 13,000         | \$ 63,000           |
| SJI-14-T-160            | Guam Judiciary                                     | Court Security Assessment                                    | Support to conduct a security assessment of designated court facilities in Guam. The assessment will examine the architectural elements, equipment and technology, personnel, and operating procedures at these court facilities.  | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-161            | Wyoming Supreme Court                              | Court Security Assessments                                   | Funding to conduct security assessments of 6 courthouses throughout the state, which have been identified as having the greatest need.   | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-162            | Licking Co., OH, Court of Common Pleas             | Probation Assessment & Evaluation                            | Support to assess the probation departments of both the Court of Common Pleas and Municipal Court to determine whether they can be performed more effectively and efficiently by consolidation, improved management practices, better sharing of personnel and resources, or other administrative steps. | \$ 40,000           | \$ 4,000          | \$ 44,000           |
| SJI-14-T-163            | Gwinnett County, GA, Superior Court                | Judicial Workload Assessment                                 | Assistance to assess the workload of judges, and recommend ways to improve the Court's system for assigning, calendaring, and managing cases.  | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-164            | North Carolina Administrative Office of the Courts | Revision of Custody & Visitation Mediation Orientation Video | Support to update a video used by the N.C. Custody and Mediation Program to prepare parties for court-ordered mediation. The new video, which will be available online, will allow each judicial district to include supplemental information specific to their jurisdiction.                            | \$ 40,000           | \$ 4,000          | \$ 44,000           |
| SJI-14-T-236            | 10th Judicial Circuit Court, MI                    | Strategic Planning and Performance Improvement               | Funding to plan for the future of the Circuit, District, and Probate Courts, which will include a focus on improved performance. Developing a strategic plan will enable the Courts to better utilize scarce resources, enhance services, and further promote collaboration.                             | \$ 50,000           | \$ 25,000         | \$ 75,000           |
| SJI-14-T-237            | Orleans Parish, LA, Municipal Court                | New Orleans Municipal and Traffic Court Consolidation        | Assistance to identify methods and procedures needed to consolidate the Municipal Court and the New Orleans Traffic Court into a single New Orleans Traffic and Municipal Court.   | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-238            | 4th Judicial District Court, LA                    | Information Technology Strategic Plan                        | Support to develop an information technology strategic plan and strategic direction for the Judicial District.   | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-239            | Santa Barbara Co., CA, Superior Court              | Caseflow and Calendar Management Review                      | Support to contract with an outside consultant to review current case and calendar management systems, and recommend changes that will improve court operations and customer service.  | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-240            | Nebraska Supreme Court/AOC                         | Personnel and Procedures Review                              | Assistance to examine the workload, organizational structure, and processes for the Douglas County (Omaha – 4 <sup>th</sup> Judicial District) Court, and recommend ways to reduce staff turnover and improve the efficiency of the Court.   | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-241            | Vermont Judiciary                                  | Courthouse Security Review and Assessment                    | Funding to conduct a security assessment of selected courthouses that may be vulnerable and at risk.   | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-244            | Superior Court of the U.S. Virgin Islands          | Case Management System Assessment                            | Support to assist in recommending the best electronic case management system (CMS) for the Court.  | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-14-T-245            | Missouri Office of the State Courts Administrator  | Case Management System Planning                              | Funding to assist in the planning and development of a new case management system (CMS) that will best serve the current and future needs of the Missouri courts.  | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| <b>Total, TA Grants</b> |  |  |  | <b>\$ 1,171,900</b> | <b>\$ 179,400</b> | <b>\$ 1,351,300</b> |

|--|---|--|--|-------------------|------------------|-------------------|
| <b>Curriculum Adaptation &amp; Training (CAT) Grants</b> |   |  |  |                   |                  |                   |
| SJI-14-E-013   | Virginia Supreme Court                                | Expanding Leadership Opportunities in Virginia's Courts  | Assistance to support the delivery of the National Center for State Courts/Institute for Court Management (ICM) Certified Court Manager (CCM) and Certified Court Executive (CCE) credential to a statewide pool of judicial officers and court managers.  | \$ 30,000         | \$ 3,000         | \$ 33,000         |
| SJI-14-E-014   | Arkansas Administrative Office of the Courts          | Online Training Programs for Court Security Officers   | In FY 2008, SJI awarded a CAT grant to the AOC to develop training programs for Court Security Officers (CSOs), and create a core group of CSOs to deliver the training to their colleagues (SJI-08-T-147). To date, the AOC has trained more than 1,600 CSOs under the curricula developed with funding from that grant. Based on that success, the AOC is seeking to develop and deliver online curricula that will ensure interactive delivery and efficient provision of training to more CSOs across the state. | \$ 30,000         | \$ 3,000         | \$ 33,000         |
| SJI-14-E-015   | National Association of Women Judges                  | Human Trafficking Training   | Support for human trafficking training for NAWJ national events, with a new focus area on labor trafficking. In addition, NAWJ, in partnership with the SJI-sponsored Human Trafficking and the State Courts Collaborative, will develop a guide on how to train judges on the impact of human trafficking in their courts.  | \$ 30,000         | \$ 3,000         | \$ 33,000         |
| SJI-14-E-079   | Massachusetts Trial Court/AOC                         | Courthouse Security Assessment Training  | Funding to provide a "train the trainer" program that teaches participants all aspects of conducting detailed security assessments of courthouses in Massachusetts.  | \$ 30,000         | \$ 3,000         | \$ 33,000         |
| SJI-14-E-155   | Georgia Administrative Office of the Courts           | Georgia Certified Court Manager Program  | The AOC, in coordination with the Georgia Council of Court Administrators (GCCA) will build on and further strengthen the existing Georgia Court Manager (GCM) certification program, while also providing training to a wider range of court professionals.   | \$ 30,000         | \$ 6,000         | \$ 36,000         |
| SJI-14-E-156   | Wyoming Supreme Court                                 | Court Security Team Building Regional Trainings  | Funding to provide court security team building training at 3 regional sites. The purpose of this training is to convene and train interdisciplinary teams consisting of judges, court administrators, security providers, first responders, and key stakeholders on the critical aspects of court security.   | \$ 30,000         | \$ 3,000         | \$ 33,000         |
| SJI-14-E-157   | Council of Chief Judges of the State Courts of Appeal | Leadership & Governance for Chief Judges of the State Courts of Appeal                                     | Assistance to develop and deliver online curricula based on the governance and leadership materials created as part of the SJI and DOJ/BJA-funded Executive Session for State Court Leaders in the 21 <sup>st</sup> Century.   | \$ 20,000         | \$ 2,000         | \$ 22,000         |
| SJI-14-E-158   | Los Angeles County Superior Court                     | Educational Development Courses  | Support to fund the development of the Court's leadership and management skills program for management staff.  | \$ 10,000         | \$ 5,000         | \$ 15,000         |
| SJI-14-E-233   | Nebraska Supreme Court/AOC                            | 2015 Nebraska Children's Summit  | Support for the planning and development efforts of the 2015 <i>Through the Eyes of a Child</i> Statewide Children's Summit. The <i>Through the Eyes of a Child</i> initiative was created by the Supreme Court in 2006 as a statewide collaborative effort tasked with improving court processing in abuse and neglect cases.   | \$ 15,000         | \$ 15,000        | \$ 30,000         |
| SJI-14-E-234   | American University                                   | Improving Access to Justice for Immigrant Crime Victims: The Important Role of Legally Correct Information | American University/National Immigrant Women's Advocacy Project (NIWAP) will modify the curriculum and training material developed, piloted, and refined from two previous projects (SJI-13-E-199 and SJI-12-E-169) to include additional training modules on the state courts' role in dealing with immigrant children.   | \$ 30,000         | \$ 15,000        | \$ 45,000         |
| SJI-14-E-235   | National Association of Women Judges                  | Judicial Education on Human Trafficking Issues   | Funding to update and continue delivering an established training program on human trafficking (both sex and labor trafficking) to its membership, with a new focus the role of gangs in human trafficking.  | \$ 29,000         | \$ 14,500        | \$ 43,500         |
| <b>Total, CAT Grants</b>                                 |   |  |  | <b>\$ 284,000</b> | <b>\$ 72,500</b> | <b>\$ 356,500</b> |

| SJI-13-T-020                            | Mohave Co., AZ, Superior Court             | Mohave Courts Strategic Plan  | Technical assistance to develop a new strategic plan that integrates performance improvement into ongoing operations.   | \$ 50,000         | \$ 5,000          | \$ 55,000         |
| SJI-13-T-021                            | Texas Office of Court Administration       | Shared Solutions 2.0  | Assistance to work with the National Association for Court Management to develop core competencies for the Texas trial courts, train the courts on those competencies, and create performance measures.   | \$ 50,000         | \$ 5,000          | \$ 55,000         |
| SJI-13-T-083                            | Volusia Co., FL Clerk of the Circuit Court | E-Courtroom Assessment & Design Project                             | Assistance to conduct a comprehensive assessment of their current court facilities and provide a new set of standardized courtroom layout plans for future facilities.  | \$ 50,000         | \$ 15,500         | \$ 65,500         |
| SJI-13-T-084                            | Massachusetts Trial Court                  | Model Courthouse for Language Access                                | Support to develop a plan that will assist in establishing the Worcester Trial Court complex as a national model courthouse for delivery of justice to LEP individuals.   | \$ 50,000         | \$ 5,000          | \$ 55,000         |

**STATE JUSTICE INSTITUTE  
FY 2013 GRANT AWARDS**

| Grant Number | Grantee   | Title   | Project Summary   | Award     | Cash Match | Total     |
|--------------|---|---|---|-----------|------------|-----------|
| SJI-13-T-085 | New Mexico Administrative Office of the Courts    | Ensuring Language Access Outside the Courtroom: Training for Judicial Employees: Phase II | Assistance to provide language access training and qualification program for employees of state courts in order to improve the quality of language access services outside the courtroom for LEP individuals. The AOC, in partnership with the New Mexico Center for Language Access (NMCLA) and other state courts will develop an online language access training program for judicial employees, and more advanced practice and skills assessment modules for bilingual employees. The training program will be available to all state courts and will be easily customized and updated. | \$ 11,332 | \$ 5,666   | \$ 16,998 |
| SJI-13-T-086 | 20th Circuit & Ottawa County Probate Courts, MI   | Michigan Juvenile Justice Data Sharing Project  | In partnership with the Juvenile Justice Vision 20/20 statewide initiative, Michigan State Court Administrative Office (SCAO), Michigan Department of Human Services, and the Michigan Committee on Juvenile Justice will coordinate the Michigan Juvenile Justice Data Sharing Project – a statewide initiative to improve data sharing on juveniles.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-13-T-087 | Superior Court of the U.S. Virgin Islands         | High Performance Court Strategic Planning   | Support to develop a new strategic plan using the High Performance Court (HPC) Framework  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-13-T-088 | 9th Judicial Circuit Court, FL                    | Guardian the Guardians: Keeping Our Wards Safe  | Assistance to ensure compliance with Florida law which delineates the duties, responsibilities, and expectations of guardians. Specifically, the project will provide guardians who are LEP with a guardianship handbook (currently available only in English) and forms translated into the most frequently encountered languages.   | \$ 20,084 | \$ 2,500   | \$ 22,584 |
| SJI-13-T-089 | National Center for State Courts                  | Security Event Guideline Development  | The NCSC will convene a two-day workshop with a representative from court administration and law enforcement from courts that have experienced recent shootings at their facilities, and produce a practical response guide that can be used by the state courts.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-13-T-097 | National Center for State Courts                  | Virtual Courthouse  | The NCSC will re-purpose and digitize its extensive facilities planning and design resources with a goal of making this information more accessible to the court community. These efforts will involve compiling, updating, condensing, repurposing, and synthesizing expertise and existing printed resources. These resources will be accessible in a centralized location on the NCSC website.   | \$ 43,000 | \$ 5,000   | \$ 48,000 |
| SJI-13-T-145 | National Association of Women Judges              | Human Trafficking Training  | Support to: 1) continue an established training program for National Association of Women Judges (NAWJ) on human trafficking; and 2) reassess and redesign the NAWJ website to better serve members.  | \$ 30,000 | \$ 15,000  | \$ 45,000 |
| SJI-13-T-146 | Oregon Judicial Department                        | Oregon Language Access: The Counter Encounter   | Support to develop, pilot, and implement a frontline service strategy designed to improve language access in Oregon's courts. The project will result in translated signage, increased availability of translated forms and information in the top 4 languages, and improved visual, written, and online resources for LEP and self-represented litigants.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-13-T-147 | Missouri Office of the State Courts Administrator | Access to Family Courts Website/Forms Translation   | Funding to translate 17 forms and the "Representing Yourself in Missouri Courts website into the 6 most common languages encountered in the Missouri courts.  | \$ 43,593 | \$ 19,815  | \$ 63,408 |
| SJI-13-T-148 | National Center for State Courts                  | Multi-State Domestic Relations Triage   | Assistance to test different approaches to screen, prioritize, and adjudicate domestic relations cases in three states (Colorado, Ohio, and Utah). The applicant will disseminate the results of the project in a national report and article in order to encourage further experimentation in managing domestic relations cases nationwide.  | \$ 50,000 | \$ 11,000  | \$ 61,000 |
| SJI-13-T-149 | City of Henderson, NV Municipal Court             | Henderson Municipal Court Best Practices Study  | Funding to conduct a review of the court's operations and recommend best practices for improving court administration.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-13-T-150 | City of Eugene, OR Municipal Court                | Caseflow Management Assessment  | Support to assess caseflow management in the Court and make recommendations on how the Court can utilize best practices to improve processing of cases from initiation to disposition in ways that enhance the quality of justice while making the best use of limited resources.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-13-T-151 | Idaho Supreme Court                               | Strengthening Idaho's Judicial Performance Evaluations                                    | Support to engage the National Center for State Courts (NCSC) to assist in improving judicial performance evaluation program across the state.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |

FY 2012 GRANT AWARDS**

| Grant Number                 | Grantee  | Title   | Project Summary   | Award               | Cash Match          | Total               |
|------------------------------|--|---|---|---------------------|---------------------|---------------------|
| <b>Project Grants</b>        |  |   |   |                     |                     |                     |
| SJI-12-N-001                 | National Association for Court Management                  | Advancing Court Leadership and Transforming Court Governance Through Education                | Assistance to educate NACM members on the important issues facing the state courts through educational opportunities and distance learning. Specific focus will be on all of SJI's Special Interest Program Categories for FY 2012.   | \$ 193,495          | \$ 196,495          | \$ 389,990          |
| SJI-12-N-002                 | Connecticut Judicial Branch                                | Evaluation of the Foreclosure Mediation Program   | Funding to conduct a comprehensive evaluation of the policies and procedures of the Connecticut Foreclosure Mediation Program (CFMP). This program addresses home foreclosures managed by the courts through alternative dispute resolution.  | \$ 48,000           | \$ 2,000            | \$ 50,000           |
| SJI-12-N-003                 | Maryland Judiciary   | A Comprehensive Cost/Benefit Analysis of ADR in Maryland: Phase II                            | The Maryland Administrative Office of the Courts will continue its comprehensive policy and program analysis of the costs, benefits, and effectiveness of alternative dispute resolution (ADR) programs supported by the Maryland Judiciary.  | \$ 133,000          | \$ 133,000          | \$ 266,000          |
| SJI-12-N-004                 | National Center for State Courts                           | Center for Elders & the Courts: Building on Success & Preparing for the Future: Phase II      | Funding to enhance the Center for Elders and the Courts (CEC) by providing a more thorough national resource on aging issues, elder abuse, and guardianships for the state courts.  | \$ 136,481          | \$ 136,481          | \$ 272,962          |
| SJI-12-N-005                 | National Center for State Courts                           | Improving the Quality of Judicial Decision-Making   | Funding to conduct a thorough literature review and study on how judges process information and make decisions. This project builds on the 2007 American Judges Association (AJA) initiative to promote procedural fairness of court processes and decisions, and increase transparency.  | \$ 55,432           | \$ 57,716           | \$ 113,148          |
| SJI-12-N-069                 | Missouri Office of the State Courts Administrator          | Access to Justice Project   | Support to develop a statewide form hosting and delivery system that will increase their capacity to meet federal and state-mandated access to justice requirements at no additional cost to litigants. Currently, the Missouri Judiciary does not have the capability to support and manage court forms that can be electronically completed, saved, updated/revised, and submitted by the end user. | \$ 128,544          | \$ 128,544          | \$ 257,088          |
| SJI-12-N-127                 | Institute for the Advancement of the American Legal System | Assessment of Colorado Rule of Civil Procedure 16.1 & the Colorado Civil Access Pilot Project | Funding to support an assessment the <i>Colorado Rule of Civil Procedure 16.1</i> – a voluntary simplified procedure for district court civil actions with less than \$100,000 in controversy. In addition, IAALs will conduct an evaluation of Colorado's Civil Access Pilot Project (CAPP) – a program being pilot-tested in certain Denver metropolitan courts dealing with business cases.        | \$ 145,624          | \$ 145,624          | \$ 291,248          |
| SJI-12-N-128                 | Minnesota Judicial Branch                                  | Online Conservator Reporting Project  | Funding to support the Online Conservator Reporting (OCR) Project through development of software that will enable the State to improve conservatorship case processing for courts, attorneys, conservators, and protected persons.   | \$ 95,750           | \$ 95,750           | \$ 191,500          |
| SJI-12-N-156                 | New Mexico Administrative Office of the Courts             | Ensuring Language Access Outside the Courtroom: Training for Judicial Employees               | Assistance to provide a language access training and certification program for court employees in order to improve the quality of justice for LEP individuals outside the courtroom.  | \$ 160,475          | \$ -                | \$ 160,475          |
| SJI-12-N-157                 | American Bar Association                                   | Guardianship Summit Implementation  | Support to implement the standards and recommendations developed at the Third National Guardianship Summit, through national dissemination and local guardianship demonstration reform projects.  | \$ 40,000           | \$ 40,000           | \$ 80,000           |
| SJI-12-N-158                 | Pennsylvania Administrative Office of the Courts           | Judicial Needs Assessment Project   | A comprehensive review and analysis of a judicial weighted caseload for the Unified Judicial System of Pennsylvania.  | \$ 80,000           | \$ 80,000           | \$ 160,000          |
| <b>Total, Project Grants</b> |  |   |   | <b>\$ 1,216,801</b> | <b>\$ 1,015,610</b> | <b>\$ 2,232,411</b> |

|---|---|--|--|-----------|------------|-----------|
| <b>Technical Assistance (TA) Grants</b> |   |  |  |           |            |           |
| SJI-12-T-006                            | Arkansas Administrative Office of the Courts                      | Development of Time Standards  | Technical assistance for the development of time standards for case management as it implements an automated case management system across the state. The AOC will use NCSC's Model Time Standards for Trial Courts (SJI-09-N-127), which were recently adopted by the Conference of Chief Justices (CCJ), Conference of State Court Administrators (COSCA), and the American Bar Association (ABA).   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-007                            | Council of Chief Judges of the State Courts of Appeal             | CCJSCA Website Redesign Project  | Support to redesign a 5-year old website with new functionality to keep members informed, provide a forum for networking, and institute distance learning for educational programs.  | \$ 17,312 | \$ 3,462   | \$ 20,774 |
| SJI-12-T-008                            | Vermont Supreme Court   | Language Access Program: Centralized Training, Testing, & Interpreter Services | Support to engage a technical assistance provider for staff training and implementation of a self-sustaining centralized language access program. This project represents the final component of the Vermont Court Interpreter Program aimed at strengthening and improving the quality of, and access to, court interpreter services.   | \$ 25,000 | \$ 2,500   | \$ 27,500 |
| SJI-12-T-009                            | Utah Judicial Performance Evaluation Commission                   | Judicial Performance Evaluation of Part-Time Judges in Utah                    | The Judicial Performance Evaluation Commission (JPEC) of Utah, an independent state government agency, will establish an economical methodology to perform state-mandated evaluations of part-time justice court judges.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-074                            | Kansas Supreme Court  | Kansas Collections Process Review  | Support to establish an economical way to review the process for collection of court-ordered monetary sanctions. This project is related to the Judicial Branch's Blue Ribbon Commission review of state court operations and structure to find ways to operate more efficiently while maintaining access to justice.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-075                            | Supreme Court of The Commonwealth of the Northern Mariana Islands | Unification of Supreme and Superior Courts                                     | Support to work with a consultant to implement the recommendations from an earlier SJI grant, <i>Assisting the Courts in Addressing Crucial Needs</i> (SJI-07-T-054). The goal of this project will be to unify the CNMI courts, enabling them to become independent of the executive branch.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-076                            | Washington State Administrative Office of the Courts              | Regional Courts of Limited Jurisdiction Analysis                               | Technical assistance to perform an efficiency analysis of selected limited jurisdiction courts in Washington State. This analysis is a precursor to reorganization of limited jurisdiction courts in the state.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-078                            | New Mexico Administrative Office of the Courts                    | Comparative Workload Study   | Support to conduct a comparative workload study, which will help the AOC determine the extent to which efficiencies have been gained by implementing a new case management system.   | \$ 45,000 | \$ 4,500   | \$ 49,500 |
| SJI-12-T-079                            | Scottsdale, AZ, City Court  | Implementation of a High Performance Court                                     | Project to implement and further integrate the Court's use of performance measures with its reengineering efforts  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-080                            | Dane County, WI, Clerk of Courts                                  | Dane County Courts Efficiency Study  | Support to assist with realizing greater operational efficiencies and guiding future reengineering efforts. Specifically, Grantee will conduct an efficiency and staff utilization study of the Dane County Office of the Clerk.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-081                            | National Association of State Judicial Educators                  | Phase IV: Curriculum Development for Judicial Branch Educators                 | Work with an established curriculum consultant to build the final four competencies, which will complete the curriculum development plan. SJI has supported two of the three phases of this curriculum development project: Phase II (SJI-10-T-091) – developed three competencies for the judicial education profession, and a comprehensive curriculum for both entry-level and experienced judicial branch educators; and Phase III (SJI-11-T-092) – added four more competencies, and created an online delivery system to provide substantive education to a national audience. | \$ 50,000 | \$ 5,000   | \$ 55,000 |

**STATE JUSTICE INSTITUTE  
FY 2012 GRANT AWARDS**

| Grant Number | Grantee  | Title  | Project Summary  | Award     | Cash Match | Total     |
|--------------|--|--|--|-----------|------------|-----------|
| SJI-12-T-131 | Pierce County, WA, District Court                | Process Reengineering & Enhanced Public Access   | Assistance to contract with the Center for Public Policy Studies (CPPS) to create and implement a redesign of civil case processing for the court, and develop a self-represented litigant assistance network supported by the court and community.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-132 | Massachusetts Trial Court                        | Video Instructions in English & Other Languages for Small Claims Proceedings                   | Grant to build on their previous project, <i>Translation of Documents for Small Claims Proceedings in the Massachusetts Trial Court</i> (SJI-11-T-162), by supporting the creation of a small-claims self-help video in English and seven other languages.   | \$ 20,288 | \$ 2,080   | \$ 22,368 |
| SJI-12-T-133 | Connecticut Judicial Branch                      | Self-Represented Family Instructional Video  | Assistance to work in coordination with their legal aid partner to develop, record, and host online a series of multi-lingual educational videos designed to help self-represented litigants prepare for civil court proceedings related to family matters.  | \$ 20,000 | \$ 2,038   | \$ 22,038 |
| SJI-12-T-134 | Arkansas Access to Justice Foundation/Commission | Development of Statewide Strategy for Addressing the Legal Needs of Self-Represented Litigants | Assistance to engage the services of a consultant to develop a statewide strategy for addressing the legal needs of self-represented litigants. The applicant will partner with key stakeholders, including the Arkansas Supreme Court and Administrative Office of the Courts, and the Arkansas Legal Services Partnership on this project.   | \$ 46,400 | \$ 6,250   | \$ 52,650 |
| SJI-12-T-135 | Colorado Judicial Department                     | Online Resources & Collaborations to Serve Self-Represented Litigants                          | Support to engage Colorado Legal Services in developing an inventory of resources to assist self-represented litigants, identify gaps in available resources, and develop new content as necessary.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-136 | 20th Circuit & Ottawa County Probate Courts, MI  | Implementation of a High Performance Court   | Assistance to implement a High Performance Court (HPC) and further improve planning and performance measurement processes. The initial focus will be on reviewing the current performance measures already in place to support the Court's strategic plan and budgeting process, and on developing a comprehensive performance dashboard. In addition, the Court will establish a continuous quality cycle improvement planning process as envisioned in the High Performance Court Framework. | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-137 | National Center for State Courts                 | Appellate Court Times Standards  | The National Center for State Courts (NCSC), working with the Conference of Chief Justices (CCJ)/Conference of State Court Administrators (COSCA) Court Management Committee and other key stakeholders, will develop critically needed new appellate court case management time standards.  | \$ 50,000 | \$ 10,000  | \$ 60,000 |
| SJI-12-T-138 | Minnesota Judicial Branch                        | Self-Represented Litigant E-Filing   | Support to expand e-filing for self-represented litigants by adapting an existing e-filing system used for attorneys, and working with an outside contractor to complete technical developments. The project will support a phased approach to achieve the goal of nearly 100 percent e-filing by self-represented litigants in all case types in all district courts in Minnesota.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-139 | Superior Court of Maricopa County, AZ            | Improvement of Probate Matters   | Funding to assist with the improvement of probate matters in the areas of conservatorships, guardianships, and the overall protection of vulnerable adults. Specifically, the applicant will assess recently implemented case management improvements.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-159 | Rhode Island Judiciary                           | Language Access Project  | Assistance to translate forms, signs, notices, and components of the Judiciary's website.  | \$ 32,786 | \$ 11,616  | \$ 44,402 |
| SJI-12-T-160 | Imperial County, CA, Superior Court              | Readiness Assessment of Adult Probation Department   | Readiness assessment to assist the Court in handling custody of low-level felony offenders transferred from the State of California.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-12-T-161 | Judiciary of Guam                                | Talent Management Program  | Assistance to develop a succession planning program that will prepare internal staff to lead, manage, and reengineer the court system.   | \$ 50,000 | \$ 7,950   | \$ 57,950 |
| SJI-12-T-162 | Hawaii Judiciary                                 | Court Security Training  | Assistance to conduct court security and emergency preparedness team training for the circuit and district courts.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |

**STATE JUSTICE INSTITUTE  
FY 2012 GRANT AWARDS**

| Grant Number   | Grantee  | Title  | Project Summary   | Award               | Cash Match        | Total               |
|--|--|--|---|---------------------|-------------------|---------------------|
| SJI-12-T-163   | 4th Judicial District, MN                            | Jury Technology Standards Project  | Assistance to develop jury management technology standards for the Minnesota District Courts, beginning in the 4th Judicial District.   | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-12-T-164   | Supreme Court of the U.S. Virgin Islands             | Organizational Structure Evaluation                                      | Support to evaluate the organizational structure between the Supreme and Superior Courts to enable them to determine whether to pursue administrative consolidation.  | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-12-T-165   | Orleans Parish, LA, Criminal District Court          | Strengthening Security/Security Assessment Training                      | Support to conduct a courthouse security assessment and provide personal safety training for judges and employees.  | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-12-T-166   | Barberton, OH, Municipal Court                       | Justice Center Facilities Planning Study                                 | Assistance to conduct a comprehensive assessment for the current court facilities, focusing on functionality, public safety, and security issues, in preparation for the design of a new justice facility.  | \$ 50,000           | \$ 8,000          | \$ 58,000           |
| SJI-12-T-170   | Cochise County, AZ, Superior Court                   | Rural Court Community Collaboration, Planning, and Reengineering         | Funding to enable the Court to develop its first ever strategic plan through community collaboration and outreach.  | \$ 38,700           | \$ 13,480         | \$ 52,180           |
| <b>Total, TA Grants</b>                                  |  |  |   | <b>\$ 1,295,486</b> | <b>\$ 161,876</b> | <b>\$ 1,457,362</b> |
| <b>Curriculum Adaptation &amp; Training (CAT) Grants</b> |  |  |   |                     |                   |                     |
| SJI-12-E-010   | National Center for State Courts                     | Purposes & Responsibilities Course (online)                              | Support to create an online version of the <i>Purposes &amp; Responsibilities of Courts</i> course for the Institute for Court Management (ICM), Court Management Program (CMP). This course will be a part of the 6-course Certified Court Manager (CCM) credential.   | \$ 29,999           | \$ 3,592          | \$ 33,591           |
| SJI-12-E-011   | National Association of State Judicial Educators     | Maintaining Excellence: Opportunities & Challenges in Judicial Education | Technical support for the educational component of the FY 2012 annual conference. The focus will include presentation of the first-ever set of NASJE Core Competencies, working collaboratively with other branches of government and local, state, and federal resources, as well as trends in judicial education and technology.  | \$ 27,750           | \$ 25,000         | \$ 52,750           |
| SJI-12-E-012   | Nebraska Judicial Branch                             | Faculty Development Workshop   | Funding to support customization and presentation of a 3-day program, titled, <i>Designing and Presenting Programs Effectively: Faculty Development Workshop</i> , provided by the National Judicial College (NJC). This training will benefit in-house judge faculty who currently teach statewide, and new judges who will serve as faculty in the future.  | \$ 24,847           | \$ 10,785         | \$ 35,632           |
| SJI-12-E-013   | Texas Center for the Judiciary                       | Immigration Issues for Texas State Trial Court Judges                    | The Texas Center for the Judiciary, the primary provider for specialized judicial education and training opportunities for judges in the state, will support customization and presentation of a 1.5-day program, titled, <i>Immigration Issues for Texas State Trial Judges</i> by National Judicial College (NJC).  | \$ 28,002           | \$ 39,808         | \$ 67,810           |
| SJI-12-E-014   | Nebraska Supreme Court                               | Statewide Children's Summit  | Funding to support the planning and development efforts for the 2012 <i>Through the Eyes of a Child Statewide Children's Summit</i> . The Through the Eyes of a Child initiative was created by the Supreme Court in 2006 as a statewide collaborative effort tasked with improving court processing in abuse/neglect cases. Approximately 25 teams across the state meet regularly with the leadership of a local judge to work on systemic issues in their communities. | \$ 15,000           | \$ 15,000         | \$ 30,000           |
| SJI-12-E-070   | Washington State Administrative Office of the Courts | Targeted Court Interpreter Training Initiative                           | Support to launch an intensive court interpreter training initiative, which will target specific languages, identify candidates who have a high propensity to do well as court interpreters, and utilize hybrid learning modules to accelerate the program.   | \$ 19,140           | \$ 8,000          | \$ 27,140           |
| SJI-12-E-071   | Missouri Office of the State Courts Administrator    | ICM Licensee/Certification Project                                       | Funding to train and certify 12 members of the OSCA staff and Missouri Judiciary to deliver the Certified Court Manager (CCM) credential. Staff will be trained/certified by the Institute for Court Management (ICM) Court Management Program (CMP), and be able to deliver that training to administrators and staff throughout the Missouri Judiciary.   | \$ 13,914           | \$ 13,914         | \$ 27,828           |

**STATE JUSTICE INSTITUTE  
FY 2012 GRANT AWARDS**

| Grant Number                              | Grantee  | Title   | Project Summary  | Award             | Cash Match        | Total             |
|---|--|---|--|-------------------|-------------------|-------------------|
| SJI-12-E-072                              | National Judicial College                      | Judicial Webcasts   | Funding to create a total of 12 webcasts to educate judges on a variety of critical issues. The 12 webcasts will be broken into two series (six webcasts each) for new judges and all judges. This curriculum will build on the successful materials developed for <i>Taking the Bench: An Online Course for New Judges</i> (SJI-10-E-176). The webcasts will be free of charge to judges.   | \$ 25,492         | \$ 5,890          | \$ 31,382         |
| SJI-12-E-073                              | Colorado Judicial Department                   | Implementation of Juvenile Risk Assessment Instrument   | Grant to develop and deliver statewide case management training to juvenile probation officers on a new risk assessment tool – the Colorado Juvenile Risk Assessment (CJRA). SJI funded the development of the new CJRA in FY 2011 (SJI-T-011), and this project builds on that work.  | \$ 30,000         | \$ 3,000          | \$ 33,000         |
| SJI-12-E-126                              | National Conference of Metropolitan Courts     | Presiding Judge Coaching/Mentoring Project  | Support to develop and pilot a leadership curriculum for new urban trial court judges using a combination of seminars, coaching, mentoring, and support sessions.  | \$ 7,177          | \$ 4,800          | \$ 11,977         |
| SJI-12-E-129                              | 29th Judicial District, PA                     | Motivational Interview Training   | Funding to host and deliver training on motivational interviewing techniques to approximately 20-25 probation officers and five supervisory staff.   | \$ 12,200         | \$ 1,220          | \$ 13,420         |
| SJI-12-E-130                              | Connecticut Judicial Branch                    | Judicial Branch Training Program  | Grantee will conduct, by way of consulting and internal resources, training on two key components of the <i>Pillars of Service Excellence Program</i> (PSE) for staff, including non-managerial professionals.   | \$ 15,000         | \$ 1,500          | \$ 16,500         |
| SJI-12-E-167                              | National Judicial College                      | Fracking and Water: A Workshop for Judges   | Support to develop and deliver a program for a four-state (PA, NY, OH, WV) judicial audience on water law, specifically the practice of hydraulic fracking.  | \$ 29,576         | \$ 14,400         | \$ 43,976         |
| SJI-12-E-168                              | National Association of Women Judges           | Human Trafficking and Immigration Status  | Adaptation of an existing curriculum on removing obstacles for immigrants and their families to incorporate a program on human trafficking.  | \$ 30,000         | \$ 3,000          | \$ 33,000         |
| SJI-12-E-169                              | American University                            | Immigrant Victims of Domestic Violence, Human Trafficking, and Sexual Assault in Family Law Proceedings | Support to develop a training program for family law judges that will fully cover the special issues that arise in family court for immigrant victims and their children.  | \$ 30,000         | \$ 3,004          | \$ 33,004         |
| <b>Total, CAT Grants</b>                  |  |   |  | <b>\$ 338,097</b> | <b>\$ 152,913</b> | <b>\$ 491,010</b> |
| <b>Strategic Initiatives Grants (SIG)</b> |  |   |  |                   |                   |                   |
| SJI-12-P-015                              | National Center for State Courts               | Language Access in the Courts   | A collaborative of state court leaders that will focus on the needs of limited English proficient individuals. Fifty-five (55) state teams, consisting of the chief justice, state court administrator, and three other members selected by the chief justice will participate. Each state team will develop a statewide plan that addresses the problem of serving LEP individuals. A National Call to Action report will document the outcomes and best practices for addressing this issue. | \$ 448,282        | \$ -              | \$ 448,282        |
| SJI-12-P-028                              | National Center for State Courts               | Reengineering in the State Courts   | NCSC will provide technical assistance to courts on how to address budget cuts, to including documenting and analyzing the experiences at selected sites for general guidance to the state courts.   | \$ 275,859        | \$ -              | \$ 275,859        |
| SJI-12-P-029                              | National Center for State Courts               | Court Criminal Justice Cost/Benefit Model   | As part of a larger effort to justify the value of the courts as a critical component of the justice system, NCSC will develop a criminal court justice cost/benefit model. The model will help jurisdictions determine the economic impact of increasing or decreasing court resources, and the impact to other components of the justice system.   | \$ 100,000        | \$ -              | \$ 100,000        |
| SJI-12-P-030                              | Center for Public Policy Studies               | Immigration Issues in the State Courts  | CPPS will work with more diverse jurisdictions to determine the challenges they are facing with increased immigration in the courts, and how best to address those challenges.   | \$ 375,859        | \$ -              | \$ 375,859        |
| SJI-12-P-082                              | California Administrative Office of the Courts | LEP Training for the Self-Help Center Environment   | Develop training for bilingual JusticeCorps volunteers to provide enhanced services to self-represented litigants. The project will pilot a process for first identifying and then training JusticeCorps staff with bilingual skills. Once the JusticeCorps staff with appropriate skills are identified and a curriculum developed, the new training program will be piloted with at least 50 JusticeCorps members in the Bay Area, Los Angeles, and San Diego areas.                         | \$ 36,638         | \$ -              | \$ 36,638         |

**STATE JUSTICE INSTITUTE  
FY 2012 GRANT AWARDS**

| Grant Number                     | Grantee  | Title   | Project Summary   | Award               | Cash Match          | Total               |
|----------------------------------|--|---|---|---------------------|---------------------|---------------------|
| SJI-12-P-083                     | Indiana Supreme Court  | Grassroots Self-Represented Litigant Training Initiative              | Train volunteer college and law students how to use the Indiana Self-Service website and understand the ethical issues involved in working in a pro se clinic. The students will also learn about the various social service and community organizations available, and the issues that may arise with a low-income population. The students, under the supervision of an on-site, volunteer attorney, would then assist self-represented litigants obtain and complete court forms, and navigate the court system. | \$ 36,250           | \$ -                | \$ 36,250           |
| SJI-12-P-084                     | National Center for State Courts                                     | Developing Standardized Definitions & Counting Rules for Pro Se Cases | Develop a standard set of definitions and counting rules that will bring clarity and comparability to the issue of determining how many cases contain one or more self-represented litigants. The project will also result in model management reports to facilitate improved court management of these cases.  | \$ 74,995           | \$ -                | \$ 74,995           |
| SJI-12-P-085                     | National Center for State Courts/Self-Represented Litigation Network | Case Triage   | NCSC and the Self-Represented Litigation Network (SRLN) will develop formal case triage protocols for assistance for self-represented litigants. The goals of these protocols is to improve both the quality and cost effectiveness of the assistance provided. Two separate triage protocols will be developed: 1) one for initial assistance to self-represented litigants before they file a case; and 2) one for the state courts after the self-represented litigant files a case.                             | \$ 80,000           | \$ -                | \$ 80,000           |
| SJI-12-P-086                     | Self-Represented Litigation Network                                  | Promoting Use of Title IV-D Resources to Provide Self-Help Assistance | The SRLN will facilitate state court reimbursement available under Title IV-D of the Social Security Act, and promote awareness of this resource, by developing a description of the reimbursement process, giving presentations on the issue, distributing model materials to ensure compliance with the U.S. Department of Health and Human Services (HHS)/Office of Child Support Enforcement (OCSE) requirements, and communicating with OCSE on options to facilitate optimum functioning of the program.      | \$ 36,575           | \$ -                | \$ 36,575           |
| SJI-12-P-087                     | South Carolina Access to Justice Commission                          | Mobile Justice Incubator Program                                      | Support to assist in the delivery of legal information to self-represented litigants in underserved areas of South Carolina. The program will provide legal clinics, walking self-represented litigants through a particular legal process from beginning to end. These clinics will provide a forum for individuals to ask questions and learn to navigate the South Carolina legal system.  | \$ 10,700           | \$ -                | \$ 10,700           |
| <b>Total, SIG</b>                |  |   |   | <b>\$ 1,475,158</b> | <b>\$ -</b>         | <b>\$ 1,475,158</b> |

The action plan was developed from previous SJI grants that assisted the applicant with their court interpreter program (SJI-07-E-200, SJI-08-T-077, and SJI-10-T-008). Funding for Phase II will enable the applicant to continue focusing on the court interpreter program, and carry out the key components of the action plan. | \$ 25,000         | \$ 2,500          | \$ 27,500           |

**STATE JUSTICE INSTITUTE  
FY 2011 GRANT AWARDS**

| Grant Number | Grantee   | Title  | Project Summary   | Award     | Cash Match | Total     |
|--------------|---|--|---|-----------|------------|-----------|
| SJI-11-T-007 | Douglas County, NE, Courts                        | Juvenile Court Operational and Staffing Analysis                           | Technical assistance to assist the Juvenile Court in becoming more efficient through an operational and staffing analysis. This analysis will provide the Juvenile Court with guidance on how to better utilize staffing with a limited budget.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-11-T-008 | Virginia Supreme Court                            | Mentoring Program for New Judges in Virginia                               | Support to assist in developing the administrative structure of a mentoring program for new judges. In addition, approximately 40-50 current active judges will be trained for their new roles as mentor judges, once the administrative structure is in place.   | \$ 42,000 | \$ 4,598   | \$ 46,598 |
| SJI-11-T-009 | Pima County, AZ, Superior Court                   | Transitional and Operational Plan Development                              | Technical assistance to update their 3-year work plan, which was initially developed in 2001 and completed in 2003. Although the Court has steadily improved its performance over the past 10 years, significant turnover of judicial officers has occurred, and the Court does not have the resources or the capacity to update the plan to reflect current goals, operational environment, and leadership needs.  | \$ 26,400 | \$ 11,240  | \$ 37,640 |
| SJI-11-T-010 | 2nd Judicial District, Bernalillo County, NM      | Workload and Cost Implications for Felony Caseflow Management Improvements | The applicant is seeking technical assistance to estimate the workload and cost implications of implementing felony caseflow management improvements in the 2 <sup>nd</sup> Judicial District of Bernalillo County.   | \$ 33,000 | \$ 24,650  | \$ 57,650 |
| SJI-11-T-011 | Colorado Judicial Department                      | Implementation of Juvenile Risk Assessment Instrument                      | The applicant is requesting technical assistance to assist in the statewide implementation of an upgraded juvenile risk assessment tool, and the development of a corresponding case planning instrument and training curriculum in 2011.   | \$ 38,000 | \$ 3,800   | \$ 41,800 |
| SJI-11-T-089 | Alaska Court System                               | Alaska Security Assessments and Improvements                               | The applicant is seeking technical assistance to conduct a statewide rural court security assessment, to include governance review, security staffing evaluation, and court security awareness/protocol education and training.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-11-T-090 | Des Moines, WA, Municipal Court                   | Court Staffing Needs Analysis  | The applicant is seeking technical assistance to conduct an operational assessment of the Court, including a review of staffing and judicial resources. The assessment will generate recommendations to the Court for dealing with impending budget cutbacks, focusing on more efficient performance of court functions (case management, workflow, offender management, etc.), and improved staff utilization.   | \$ 36,000 | \$ 4,000   | \$ 40,000 |
| SJI-11-T-091 | New Hampshire Administrative Office of the Courts | Assessment of the Administrative Office of the Courts                      | Assistance to conduct an assessment of the New Hampshire AOC. This project will be a component of the overall reengineering efforts in the state. The AOC has been directed by the Supreme Court to assist the New Hampshire Courts to operate more efficiently and effectively.  | \$ 50,000 | \$ 5,000   | \$ 55,000 |
| SJI-11-T-092 | National Association of State Judicial Educators  | Phase III: NASJE Curriculum Development for Judicial Branch Educators      | NASJE will continue working with a curriculum consultant to build on the work SJI supported in Phase II (SJI-10-T-091) to develop competencies for the judicial education profession, and a comprehensive curriculum for both entry-level and experienced judicial branch educators. This phase will add 4 more competencies to the existing 3 competencies. NASJE will also hire an information technology specialist consultant to create an accessible online delivery system to provide substantive education to a national audience. | \$ 49,829 | \$ 5,000   | \$ 54,829 |
| SJI-11-T-093 | Maine Administrative Office of the Courts         | Region 1 Case Scheduling and Assignment Evaluation                         | Technical assistance to conduct an evaluation of the revised case scheduling and assignment system for the purpose of measuring its 7-year progress towards creating a more equitable division of cases and resources across the state.   | \$ 50,000 | \$ 5,000   | \$ 55,000 |

**STATE JUSTICE INSTITUTE  
FY 2011 GRANT AWARDS**

| Grant Number            | Grantee   | Title  | Project Summary   | Award               | Cash Match        | Total               |
|-------------------------|---|--|---|---------------------|-------------------|---------------------|
| SJI-11-T-094            | Michigan State Court<br>Administrative Office       | Court Reengineering Project  | Funding to assist the Michigan trial courts with Concurrent Jurisdiction Planning, designed to reengineer court organization and operations across the state in 30 existing jurisdictions. The proposed technical assistance builds on a project grant supported by SJI (SJI-10-N-087) to examine judicial workloads and develop state-of-the-art practices and case initiation policies that will stabilize the trial court system in response to significant budget cutbacks. | \$ 50,000           | \$ 5,000          | \$ 55,000           |
| SJI-11-T-155            | York County, PA, Court of<br>Common Pleas           | Administrative Office Review   | Funding to conduct a review of the administrative office and functions prior to a change in leadership.   | \$ 50,000           | \$ 5,000          | \$ 55,000           |

| Scholarships       | 156        | \$ 273,599          | \$ -                | 117        | \$ 175,500          | \$ -                |
| <b>GRAND TOTAL</b> | <b>239</b> | <b>\$ 6,001,516</b> | <b>\$ 3,166,475</b> | <b>182</b> | <b>\$ 4,244,689</b> | <b>\$ 2,332,353</b> |

**Note:**

\*Strategic Initiatives Grants (SIG) are handled directly by SJI outside the normal grant application process (SJI initiates the project), and there is no cash match.

**STATE JUSTICE INSTITUTE  
FY 2010 GRANT AWARDS**

| Grant Number                 | Grantee                                    | Title  | Project Summary  | Award             | Cash Match        | Total               |
|------------------------------|--|--|--|-------------------|-------------------|---------------------|
| <b>Project Grants</b>        |  |  |  |                   |                   |                     |
| 10-N-001 NACM                | National Association for Court Management  | National Curriculum Development & Education for Court Managers & Leadership Judges | Education and training for state court personnel nationwide through a national curriculum developed by NACM. SJJ funding will support one year of education activities for court managers and leadership judges.   | \$ 116,423        | \$ 116,423        | \$ 232,846          |
| 10-N-002 NCSC                | National Center for State Courts           | Videoconferencing Survey   | NCSC will survey the state courts to determine the use of videoconferencing technology in order to provide guidance and reduce uncertainty; given that there has been little information made available about how the courts are applying evolving tools.  | \$ 20,466         | \$ 20,466         | \$ 40,932           |
| 10-N-003 WI                  | Wisconsin Director of State Courts Office  | Enhancing Public Safety: Effective Justice Strategies Project                      | Funding to identify court-related evidence-based strategies that enhance public safety, reduce recidivism, and address criminal and addictive behaviors. The project will also develop recommendations to foster state-wide support for replication of these strategies.   | \$ 156,748        | \$ 115,000        | \$ 271,748          |
| 10-N-085 ABA                 | American Bar Association                   | Building a Volunteer Guardian Assistance Program                                   | Funding to enable the ABA to update a volunteer guardianship monitoring manual that was originally created in 1992, and make it available to a wider audience on the Internet.   | \$ 25,000         | \$ 25,000         | \$ 50,000           |
| 10-N-086 MN                  | Minnesota Judicial Branch                  | Technology Enhanced Learning Integration   | This project will incorporate e-learning technology statewide to reduce training costs while still providing training to judges and court staff. It will employ a variety of methods to provide training, including web-ex and virtual classrooms.   | \$ 100,000        | \$ 100,000        | \$ 200,000          |
| 10-N-087 MI                  | Michigan State Court Administrative Office | Michigan Judicial Workload Assessment  | The project includes a comprehensive review, update, and extension of the judicial weighted workload caseload system in order to bring it in line with state-of-the-art practices and new laws and case initiation policies.   | \$ 90,000         | \$ 90,000         | \$ 180,000          |
| 10-N-145 NCSC                | National Center for State Courts           | The Jury Manager's Toolbox: The Next Generation                                    | The second phase of this SJJ-funded project will address two limitations of the existing software that could not be addressed under the initial project development plan: 1) users suggested that the JMT be modified to permit users to report on performance over time; and 2) a number of beta-test courts found that they had difficulty extracting raw operational information from their jury automation systems into the JMT. | \$ 49,768         | \$ 50,000         | \$ 99,768           |
| 10-N-146 MD                  | Maryland Judiciary                         | A Comprehensive Cost/Benefit Analysis of ADR in Maryland: Phase I                  | This project will conduct a program analysis of the cost/benefit of alternative dispute resolution (ADR) programs supported by the Maryland Judiciary, as well as contribute to the national literature on the project.  | \$ 66,609         | \$ 66,609         | \$ 133,218          |
| 10-N-147 NCSC                | National Center for State Courts           | Building the State Supreme Court Initiative  | Funding to report on the work and decisions of state supreme courts. The State Supreme Court Initiative (SSCI) project will provide a new vehicle for public education about the work of the state supreme courts, encourage enhancements to state court websites, and facilitate the sharing of opinions and website practices among state supreme courts.  | \$ 69,749         | \$ 69,749         | \$ 139,498          |
| 10-N-174 ABA                 | American Bar Association                   | Third National Guardianship Summit: Standards of Excellence                        | Funding for the 3rd National Guardianship Summit, which will result in recommendations and commissioned papers on guardian standards of practice and decision-making, including approaches for implementation of the standards through state multi-disciplinary councils.  | \$ 49,866         | \$ 49,866         | \$ 99,732           |
| 10-N-175 PA                  | Lancaster County Court of Common Pleas     | Operational Efficiency Study   | Funding requested to assist in enhancing the operational efficiency of the various court departments by streamlining business practices. The Court has made a commitment to the county to examine the efficiency of operations as part of a general county-wide initiative to improve services with limited funding.   | \$ 60,000         | \$ 60,000         | \$ 120,000          |
| <b>Total, Project Grants</b> |  |  |  | <b>\$ 804,629</b> | <b>\$ 763,113</b> | <b>\$ 1,567,742</b> |

| 08-N-007 GA                             | Georgia Administrative Office of the Courts       | Council of Probate Court Judges Guardianship Video and Handbook                                       | Funding to develop and produce a video and handbook that details the guardianship of incapacitated adults and minors, and the responsibilities that are conveyed to guardians.   | \$ 64,568         | \$ 64,568           | \$ 129,136          |
| 08-N-072 TX                             | Texas Office of Court Administration              | Representing the Mentally-Ill Offender: An Evaluation of Advocacy Alternatives                        | This project will evaluate strategies for promoting diversionary and therapeutic dispositions in appropriate cases where criminal behavior is caused by mental illness.  | \$ 90,000         | \$ 190,000          | \$ 280,000          |
| 08-N-073 MD MACRO                       | Maryland Mediation and Conflict Resolution Office | Court-Based Alternative Dispute Resolution (ADR) Program  | Project to provide court ADR programs in Maryland with a web-based data collection and analysis system that will make the linkage between qualitative ADR program data for each case and the quantitative court docket data. These tools will enable the ADR programs to determine if they are meeting their goals.                    | \$ 175,400        | \$ 323,557          | \$ 498,957          |
| 08-N-074 AL                             | Alabama Administrative Office of the Courts       | Alabama Juvenile Probation Officers Workload Study  | Support for a workload assessment model for Alabama Juvenile Probation Officers and their staff. The model will be used to determine how to distribute resources across the state, and is the final component of the State's efforts to use workload assessments to improve performance and accountability.                            | \$ 51,911         | \$ 51,911           | \$ 103,822          |
| 08-N-082 IN                             | Indiana Supreme Court                             | Marriage License/Child Support Collaboration  | Funding to develop a public access capability for the marriage license database and link the database to two other state databases with the goal of addressing Title IV-D child support enforcement efforts.   | \$ 50,000         | \$ 50,000           | \$ 100,000          |
| 08-N-086 MD                             | Maryland Judiciary                                | Comparative Evaluation of Three Truancy Court Models  | This project will evaluate three truancy intervention programs operating in Maryland; one of which is operated by the First Judicial Circuit. The evaluation will determine the most appropriate and effective roles of the courts and judges in truancy intervention, and translate this determination into statewide policy.         | \$ 159,826        | \$ 159,826          | \$ 319,652          |
| 08-N-142 MN                             | Minnesota Judicial Branch                         | Technology Enhanced Learning Project  | Funding for instructional design and technology expertise in developing and integrating technology-enhanced, learning methods into the Minnesota Judicial Branch. The products will include e-learning courses, tutorials, and web-based training events.  | \$ 100,000        | \$ 100,000          | \$ 200,000          |
| 08-N-143 CCI                            | Center for Court Innovation                       | Court-Based Training Initiative to Improve the Identification of Trafficking Victims in New York City | Funding to develop and implement a court-based program to improve the identification of trafficking victims. An assessment tool will be developed to identify victims, and court staff in New York City will be trained on how to use the assessment tool, and refer victims to appropriate service providers.                         | \$ 20,000         | \$ 20,000           | \$ 40,000           |
| 08-N-173 NM                             | New Mexico Administrative Office of the Courts    | NM Justice System Interpreter Resource Partnership  | Support to develop and sustain an Interpreter Resource Partnership among justice agencies in New Mexico. The primary objective of the partnership will be to ensure that individuals with limited English proficiency who become involved with the justice system (criminal and civil) have access to culturally appropriate services. | \$ 48,616         | \$ 48,616           | \$ 97,232           |
| <b>Total, Project Grants</b>            |   |   |  | <b>\$ 760,321</b> | <b>\$ 1,008,478</b> | <b>\$ 1,768,799</b> |
| <b>Technical Assistance (TA) Grants</b> |   |   |  |                   |                     |                     |
| 08-T-001 WA                             | Washington Administrative Office of the Courts    | Interpreter and Language Services Initiative  | Funding to support an interpreter and language services initiative that will establish service pilot sites, interpreter needs assessments, and design state, regional, and local interpreter service delivery networks.  | \$ 30,000         | \$ 3,000            | \$ 33,000           |
| 08-T-002 FL                             | Florida Office of the State Courts Administrator  | Long Range Planning Initiative  | The Florida State Court System, under the guidance of its Task Force on Judicial Branch Planning Staff, will undertake a comprehensive outreach effort to further develop and update its long-range strategic plan.  | \$ 30,000         | \$ 15,000           | \$ 45,000           |
| 08-T-003 MT                             | Supreme Court of Montana                          | Court Performance Measurement Systems for the Montana Supreme Court                                   | Funding to develop a performance measurement system for the Supreme Court. The project will identify and develop the appropriate measurements, ensure the measurements are done in the best possible way, and identify methods of integrating the measurements into day-to-day operations.   | \$ 26,000         | \$ 13,963           | \$ 39,963           |
| 08-T-004 Jackson Co., MO                | 16th Judicial Circuit Court of Jackson County, MO | Strategic Planning Initiative   | Assistance to support the court in developing and implementing a strategic plan. This would include bringing together key internal and external stakeholders representing all divisions of the circuit and juvenile court.   | \$ 30,000         | \$ 27,419           | \$ 57,419           |
| 08-T-005 PR                             | Office of Courts Administration of Puerto Rico    | Judge Mentoring Program   | Funding to support the Puerto Rico Judicial Academy develop plans for a mentoring program designed especially for Puerto Rico. The mentoring program was identified as a serious education and training requirement for newly appointed judges.  | \$ 16,262         | \$ 8,130            | \$ 24,392           |
| 08-T-075 AZ                             | Arizona Supreme Court                             | Develop Performance Measurement System for the Appellate Courts                                       | Support for the development of a performance measurement system for the appellate courts of Arizona. The project will identify the correct performance measurements and incorporate them into day-to-day operations.   | \$ 30,000         | \$ 15,012           | \$ 45,012           |
| 08-T-076 NV                             | Nevada Supreme Court                              | Statewide Civil Legal Needs Assessment and Access to Justice Strategic Planning                       | The Nevada Administrative Office of the Courts will work closely with the Access to Justice Commission to assess the current and future needs for civil legal services in the State.   | \$ 26,336         | \$ 26,147           | \$ 52,483           |
| 08-T-077 VT                             | Vermont Supreme Court                             | Action Plan for Strengthening the Court Interpreter Program   | Funding to develop an action plan for the Court Interpreter Program to develop and manage the program, and assist the State in improving access to justice for limited English proficient individuals.   | \$ 21,000         | \$ 2,100            | \$ 23,100           |

**STATE JUSTICE INSTITUTE  
FY 2008 GRANT AWARDS**

| Grant Number                    | Grantee  | Title  | Project Summary  | Award             | Cash Match        | Total             |

| 07-N-001 MD                             | Maryland Administrative Office of the Courts                                    | Leadership Training for Trial Court Executive Teams  | Funding to develop, test, and evaluate an interactive program for executive teams from Maryland's trial courts. The goal of this project will be to create a cadre of leadership teams in Maryland's trial courts that will enhance court performance and inspire ongoing innovation.  | \$ 85,617           | \$ 85,617           | \$ 171,234          |
| 07-N-002 MN                             | Minnesota State Court Administrator's Office                                    | Judicial Branch Disaster/Continuity Planning   | This project is designed to aid the Minnesota Judicial Branch in its development of a comprehensive emergency preparedness plan that ensures the continuity of court operations and secures the health and safety of court personnel in all types of emergencies.  | \$ 50,000           | \$ 50,000           | \$ 100,000          |
| 07-N-004 SD                             | South Dakota Office of the State Court Administrator/Unified Judicial System    | Court Services Officer Weighted Workload Assessment  | Funding to conduct an assessment of the workload of Unified Judicial System Court Services Officers. The new probation strategies include motivational interviewing, behavior modification, appropriate treatment, development of community-based programs, and an automated case management system for administrative and low risk cases.                         | \$ 45,165           | \$ 45,165           | \$ 90,330           |
| 07-N-009 NCSC                           | National Center for State Courts  | Pattern Jury Instructions  | Members of state and federal Pattern Jury Instructions Committees to exchange information and learn about best practices from those who have extensive experience in the topic.  | \$ 65,331           | \$ 83,000           | \$ 148,331          |
| 07-N-010 AZ                             | Arizona Supreme Court, Administrative Office of the Courts                      | Integrated Family Court in Rural Arizona   | Funding for a two-year demonstration program of a rural Integrated Family Court (IFC) in Pinal County, AZ.   | \$ 200,000          | \$ 718,146          | \$ 918,146          |
| 07-N-012 MN                             | Minnesota State Court Administrator's Office                                    | Early Case Management/Early Neutral Evaluation Pilot Project   | The ECM/ENE project will attempt to resolve family cases utilizing early aggressive case management strategies to reduce acrimony, and foster settlement more effectively and efficiently.   | \$ 180,000          | \$ 180,000          | \$ 360,000          |
| 07-N-057 NCSC                           | National Center for State Courts  | Educational Programs on Self-Represented Litigation  | Leading judges and judicial educators will form teams for an "Educate the Educators" experience on pro se litigation. These teams will be able to plan and lead state educational programs on self-represented litigation issues.  | \$ 51,260           | \$ 51,333           | \$ 102,593          |
| 07-N-056 NCSC                           | National Center for State Courts  | A Unifying Framework for Court Performance Measurement   | The project would synthesize the numerous existing court performance measurement initiatives into a unifying framework. This would provide courts with a clear and concise set of performance measures relevant and applicable to all court programs and specialized dockets.  | \$ 41,960           | \$ 41,960           | \$ 83,920           |
| 07-N-055 NJC                            | The National Judicial College/The Reynolds National Center for Courts and Media | Establish and Support In-State, Annual Court-Media Programs  | Court personnel and journalists would continue to build better relationships over time paving the way for open communications. Furthermore, the court and media would learn how to set up their own committees in their home states to address issues of concern.  | \$ 120,845          | \$ 120,848          | \$ 241,693          |
| 07-N-059                                | Council for Court Excellence  | Journalist's Handbook to the D.C. Courts   | Funding to design a handbook to assist journalists in reporting knowledgeably and accurately about the law, trial and appellate proceedings, and other court related activities.   | \$ 23,690           | \$ 23,691           | \$ 47,381           |
| 07-N-193 GA AOC                         | Georgia Administrative Office of the Courts                                     | Review of Constituency Services  | Funding to review the Office's roles and responsibilities in light of: 1) the legal mandates governing its operations; and 2) constituent perspectives and needs. This would allow the AOC to step back from day-to-day operations and competing demands to determine what the AOC should be doing to better meet legal requirements and constituent expectations. | \$ 36,746           | \$ 36,747           | \$ 73,493           |
| 07-N-190                                | National Center for State Courts  | Court Management Planning  | The project will focus on the issues and service demands that courts will face during the next decade, given the changing court workforce.   | \$ 42,189           | \$ 42,189           | \$ 84,378           |
| 07-N-192                                | Colorado Judicial Department  | Colorado Probation Workload Value Study  | Funding to conduct a time study in order to update the outdated weighted workload standards for adult and juvenile probation officers. These updated standards will reflect new legislation, procedures, and practices.  | \$ 36,007           | \$ 36,008           | \$ 72,015           |
| 07-N-191                                | Council for Court Excellence  | Community Guide to the D.C. Juvenile Justice System  | Funding to prepare and publish a <i>Community Guide to the D.C. Juvenile Justice System</i> in both English and Spanish and share the publication, methodology, and lessons learned with court systems and other interested audiences throughout the country to serve as a replicable project model.   | \$ 50,000           | \$ 51,275           | \$ 101,275          |
| <b>Total, Project Grants</b>            |   |  |  | <b>\$ 1,028,810</b> | <b>\$ 1,565,979</b> | <b>\$ 2,594,789</b> |
| <b>Technical Assistance (TA) Grants</b> |   |  |  |                     |                     |                     |
| 07-T-003 CA                             | The Superior Court, County of Alameda CA  | Language Access Plan   | Funding to develop and implement a language access plan for the benefit of Alameda County courts and an increasing population of non-English speaking court users.   | \$ 30,000           | \$ 13,000           | \$ 43,000           |
| 07-T-007 GA                             | Supreme Court of Georgia  | Supreme Court of Georgia Committee on Civil Justice Strategic Planning                                   | Technical assistance to prepare a strategic plan for the Committee.  | \$ 30,000           | \$ 4,200            | \$ 34,200           |
| 07-T-011 WI                             | Wisconsin Judicial Council  | Assessment of the Wisconsin Judicial Council and the Current State of Procedural Rulemaking in the State | The requested funds would support the assistance from the National Center for State Courts to perform an assessment of the Wisconsin Judicial Council and the current state of procedural rulemaking in the state.   | \$ 11,584           | \$ 1,416            | \$ 13,000           |
| 07-T-013 VT                             | Vermont Supreme Court   | Emergency Response and Coop  | Funding to develop an emergency response and continuity of operations (COOP) plan specifically for the Vermont courts.   | \$ 25,000           | \$ 25,000           | \$ 50,000           |

**STATE JUSTICE INSTITUTE  
FY 2007 GRANT AWARDS**

| Grant Number            | Grantee   | Title  | Project Summary   | Award             | Cash Match        | Total             |
|-------------------------|---|--|---|-------------------|-------------------|-------------------|
| 07-T-054 CNMI           | The Supreme Court of the Commonwealth of the Northern Mariana Islands | Assisting the Courts in Addressing Crucial Needs Identified in 2006 NCSC Assessment Report | Funding to address the crucial needs identified in a 2006 National Center for State Courts assessment report. That report identified problems in the independence of the Commonwealth of the Northern Mariana Islands (CNMI) judiciary, internal governance, and the need for efficiency that would enhance the credibility of court budget requests, as well as improve service to court users.            | \$ 30,000         | \$ 5,696          | \$ 35,696         |
| 07-T-053 WA             | Spokane County District Court   | Strategic Planning Project   | Technical assistance for a strategic planning project to provide the Court with a roadmap to improving services and relationships with other County agencies.   | \$ 29,800         | \$ 12,200         | \$ 42,000         |
| 07-T-052 OH             | Franklin County Court of Common Pleas                                 | Compensation Study   | Technical assistance for a Compensation (salary and benefits) study to provide internal equity, promote external competitiveness, and establish a base plan that can be modeled by other major urban areas.   | \$ 25,000         | \$ 25,000         | \$ 50,000         |
| 07-T-051 NCSC           | National Center for State Courts                                      | Development of Performance Measures for Colorado Teen Courts                               | Teen courts remove a significant caseload from the juvenile justice system, hence saving time and money. NCSC plans to use the grant to hold an educational conference for the court coordinators, in order to facilitate the development performance measures.   | \$ 22,900         | \$ 2,475          | \$ 25,375         |
| 07-T-058 NY             | New York Unified Court System   | Developing a State-of-the-Art Educational Website  | Funding to support the implementation of new technologies to support the educational website for the Judicial Institute. The goals of the project are to develop a website available to all judges and court personnel to provide easily accessible and timely information.   | \$ 29,996         | \$ 86,662         | \$ 116,658        |
| 07-T-194                | Indiana Judicial Center   | Indiana Judicial Weighted Caseload   | The applicant is requesting technical assistance to contract with the Survey Research Center to: 1) compile the number of judicial actions in problem-solving cases; 2) compile the time sheet judges use to report the times they are spending in problem-solving court cases; and 3) prepare a report analyzing this information to determine a new weighted caseload for cases assigned to these courts. | \$ 30,000         | \$ 3,760          | \$ 33,760         |
| 07-T-195                | Mohave County, AZ, Superior Court                                     | Long Range Strategic Plan  | Funding to assist the court in further developing and implementing a strategic plan to ensure the effective administration of justice. This would include addressing increasing caseloads, increases in drug and juvenile issues, and identify ways to allocate resources to meet the need for additional new court facilities.   | \$ 27,490         | \$ 8,000          | \$ 35,490         |
| 07-T-196                | Vermont Supreme Court   | Document Conversion for the Vermont Supreme Court  | Funding to standardize the Judiciary's word processing capabilities, including the conversion of all documents and macros.  | \$ 30,000         | \$ 3,000          | \$ 33,000         |
| 07-T-197                | Montana Supreme Court   | Court Performance Measurement System   | Funding to: 1) identify and develop performance measures for the Montana trial courts; 2) ensure that these measures can be delivered to the trial courts; and 3) integrate performance measurement with existing key management processes and operations including uniform case filing standards, workload assessments, and the new case management system for the district courts.                        | \$ 30,000         | \$ 15,000         | \$ 45,000         |
| 07-T-198                | Massachusetts Trial Court   | Implementation of Mediator Qualification Standards   | Technical assistance funding to implement mediator qualification standards in support of dispute resolution services to the Trial Court. A Mediator Qualification Standards Implementation Plan will be developed that will enable the Trial Court to assess and plan a mediator qualification system based on best practices and a survey of stakeholders.   | \$ 30,000         | \$ 3,000          | \$ 33,000         |
| <b>Total, TA Grants</b> |   |  |   | <b>\$ 381,770</b> | <b>\$ 208,409</b> | <b>\$ 590,179</b> |

**STATE JUSTICE INSTITUTE  
FY 2006 GRANT AWARDS**

| Grant Number          | Grantee  | Title  | Project Summary  | SJI Award  | Cash Match | Total      |
|-----------------------|--|--|--|------------|------------|------------|
| <b>Project Grants</b> |  |  |  |            |            |            |
| 06-N-001 KS           | Kansas Supreme Court                                       | Kansas Courthouse Security Project   | Funding to develop court security standards for the Kansas Judicial Branch, along with a survey to evaluate security and disaster recovery preparedness in courthouses throughout the state.   | \$ 85,000  | \$ 20,460  | \$ 105,460 |
| 06-N-012 MT           | Montana Supreme Court Administrator's Office               | Workload/Resource Assessment   | Funding for a workload assessment that would be used to allocate resources among the State's district courts.  | \$ 34,825  | \$ 47,628  | \$ 82,453  |
| 06-N-056 NV           | Reno Municipal Court                                       | A Study to Explore the Feasibility of Integrating Administrative Functions                         | The Reno Municipal Court and the Reno Justice Court (two limited jurisdiction trial courts in Reno, NV) request funds to integrate their administrative functions.   | \$ 30,000  | \$ 25,565  | \$ 55,565  |
| 06-N-057 AZ           | Maricopa County, AZ, Trial Courts                          | Cultural Competence and Strategic Change   | Project to consolidate and revise multiple strategic plans that are a legacy of the pre-unification Maricopa County court system. The project would also assess and redesign work processes to better provide culturally appropriate services.   | \$ 40,600  | \$ 41,400  | \$ 82,000  |
| 06-N-060 NM           | New Mexico Administrative Office of the Courts             | Coordinating Access to Justice in New Mexico   | Coordinate a statewide effort for the delivery of civil legal services for the poor, as part of a multi-pronged approach to the Access of Justice issues in the State.   | \$ 120,000 | \$ 120,015 | \$ 240,015 |
| 06-N-061 IA           | American Judicature Society                                | The Midwest Region and Pro Se Litigation   | Educate teams of stakeholders representing ten Midwestern states in pro se litigation issues.  | \$ 18,060  | \$ 17,802  | \$ 35,862  |
| 06-N-062 IA           | American Judicature Society                                | The South Central Regional Conference on Pro Se Litigation   | A conference to reach out and educate teams of stakeholders representing ten Midwestern states in pro se litigation issues.  | \$ 24,120  | \$ 16,166  | \$ 40,286  |
| 06-N-063 NV           | National Council of Juvenile and Family Court Judges       | National Judicial Child Abuse and Neglect Institute Curriculum                                     | Funds to adapt its Child Abuse and Neglect Institute (CANI) curriculum for a national audience. The newly adapted curriculum, available in hard copy or online, expands the availability of permanency case educational material to family and juvenile court judges.  | \$ 14,250  | \$ 14,250  | \$ 28,500  |
| 06-N-064 DC           | District of Columbia Superior Court                        | Program for Agreement and Cooperation in Child Custody Cases                                       | Funding to design and implement a parenting education program to foster agreement and cooperation between parents involved in child custody cases. The Program for Agreement and Cooperation in Child Custody Cases (PAC) would inform parents about how the conflict between them impacts their children and provide suggestions for positive communication between them. | \$ 57,850  | \$ 57,850  | \$ 115,700 |
| 06-N-065 UT           | Utah Administrative Office of the Courts                   | Public Surveys on Access, Fairness, Public Trust, and Confidence in the Utah State Courts          | Funding to measure perceptions of court accessibility and fairness, and to determine the level of public trust and confidence in the Utah court system. The Utah Judicial Council would use these results for strategic planning and policy development.   | \$ 26,580  | \$ 26,580  | \$ 53,160  |
| 06-N-066 NE           | Nebraska Judicial Branch Education                         | Improving the Court System for Abuse/Neglect and Foster Care                                       | Funding to replicate the National Leadership for Child Protection to bring together judge-led local interdisciplinary teams (attorneys, child protection administrators and child advocates) from across the state to learn about the resource guidelines for abuse and neglect that were developed by the National Council of Juvenile and Family Court Judges.           | \$ 38,745  | \$ 38,745  | \$ 77,490  |
| 06-N-067 NY           | New York Unified Court System                              | Guardian Assistance Network  | The New York State Unified Court System and Vera Institute of Justice will establish the "Guardian Assistance Network," a comprehensive system to assist lay-guardians with their court-mandated duties.   | \$ 204,168 | \$ 304,540 | \$ 508,708 |
| 06-N-068 NC           | North Carolina Administrative Office of the Courts         | Criminal Court Information System Staging Module   | Support the development of a new management information system to replace a 20-year old system, and use information technology to handle the ever-increasing caseload throughout the state.  | \$ 142,090 | \$ 142,090 | \$ 284,180 |
| 06-N-069 SD           | South Dakota Unified Judicial System                       | Information Technology Strategic Planning  | Funding to assist in preparing an information technology strategic plan for the Unified Judicial System.   | \$ 38,383  | \$ 38,383  | \$ 76,766  |
| 06-N-072 VA           | National Association of Appellate Court Attorneys          | Annual Conference of National Association of Appellate Court Attorneys                             | Conference to encourage contact between State and Federal judges and appellate court staff, as well as to provide educational sessions on substantive law, professional development, skill development and court administration.   | \$ 21,222  | \$ 27,000  | \$ 48,222  |
| 06-N-074 NY           | Fund for the City of New York, Center for Court Innovation | What Makes a Court Problem-Solving? Identifying Performance Indicators for Problem-Solving Justice | Development of a set of universal problem-solving court performance indicators that would complement traditional court performance measures and also help to assess progress in the institutionalization of problem solving courts.  | \$ 122,444 | \$ 126,142 | \$ 248,586 |
| 06-N-075 WV           | West Virginia Supreme Court of Appeals                     | Assessment of West Virginia Judicial Workload  | The West Virginia Supreme Court is charged with preparing information for the 2007 legislative session on the redistricting of the circuit (general trial) and family courts. The Court is interested in conducting a weighted workload study to determine if any adjustments to court boundaries are necessary to more evenly distribute the workload.                    | \$ 30,000  | \$ 40,000  | \$ 70,000  |

**STATE JUSTICE INSTITUTE  
FY 2006 GRANT AWARDS**

| Grant Number                            | Grantee   | Title   | Project Summary   | SJI Award           | Cash Match          | Total               |
|---|---|---|---|---------------------|---------------------|---------------------|
| 06-N-129 PA                             | Fifth Judicial District of Pennsylvania           | Enhancement of Pretrial Services in Allegheny County, PA  | Implement an overhaul of the Bail Agency - the county's pretrial services program. The agency is responsible for providing Common Pleas Court Judges and Magisterial District Judges with information and options at bail determination hearings.   | \$ 59,162           | \$ 59,162           | \$ 118,324          |
| 06-N-130 MN                             | Minnesota State Court Administrator's Office      | State Pro Se Services Project   | The Minnesota Judicial Branch Strategic Plan Initiative for FY 2007-2009 included the development of a Statewide plan for managing Pro Se Litigants. The plan envisions a web-based "virtual" self help center allowing access to services statewide through the web, as well as a call-in facility.  | \$ 82,500           | \$ 82,500           | \$ 165,000          |
| 06-N-131 VA                             | National Center for State Courts                  | State-of-the-States Jury Compendium   | Funding to analyze the datasets and disseminate the findings in a Compendium Report and accompanying Executive Summary entitled <i>Jury Innovation in Practice: The Experience in State and Local Courts</i> .  | \$ 30,000           | \$ 30,000           | \$ 60,000           |
