Grantee Spotlight: Trauma-Informed Practice Strategy Lab (TIPS Lab) – Center for Justice Innovation

The Trauma-Informed Practice Strategy Lab (TIPS Lab) was born out of the need to address the trauma of people involved in criminal courts—an urgent need shown by statistics on the prevalence of violence and victimization in the United States. [The Center for Justice Innovation](#) is leading the development of the TIPS Lab, which includes a forthcoming blueprint for criminal court practitioners to recognize, address, and respond to trauma. The goal of the TIPS Lab is to bridge the gap between training and implementation... [Read more](#)
