## FY 2019 Education Support Program

The Education Support Program (ESP) supports full-time state court judges and court managers to attend courses that enhance their knowledge, skills, and abilities which they could not otherwise attend because of limited state, local, and personal budgets. The National Judicial College (NJC) and the National Center for State Courts/Institute for Court Management (ICM) will administer the ESP program separately, in partnership and with funding from SJI.

### **COVERED COSTS**

The Education Support Program (ESP) only covers the cost of tuition up to a maximum of \$1,000 per award. Awards will be made for the exact amount requested for tuition. Funds to pay tuition in excess of \$1,000, and other costs of participating in a course such as travel, transportation, meals, materials, and transportation to and from airports (including rental cars) at the site of the education program, must be obtained from other sources or be borne by the ESP award recipient.

### **ELIGIBLE RECIPIENTS**

Because of the limited amount of funding available, only full-time judges of state or local trial and appellate courts; full-time professional state or local court personnel with management responsibilities or on a professional career track; and supervisory and management probation officials in judicial branch probation offices are eligible for the program. Senior judges, part-time judges, quasi-judicial hearing officers including referees and commissioners, administrative law judges, staff attorneys, law clerks, line staff, law enforcement officers, and other executive branch personnel are not eligible. Applicants are limited to one ESP award every other fiscal year (i.e. if awarded an ESP in FY 2018, the applicant will remain ineligible until FY 2020), unless the course specifically assumes multi-year participation as part of a certificate program.

### **ELIGIBLE COURSES**

Awards are only for courses presented by the NJC and ICM in a U.S. jurisdiction to participants in the U.S. or U.S. Territories. These courses are designed to enhance the skills of new or experienced judges and court managers. Participation during annual or mid-year conferences or meetings of a state or national organization does not qualify for ESP purposes, even though the conference may include workshops or other training sessions.
